

# Why use CHIC's Planned Investment Frameworks?

CHIC's framework gives you easy access to work directly with a wide selection of market leading manufacturers.

## OJEU Compliant

Using CHIC's Framework, you can ensure that your organisation establishes a supply contract that is fully compliant with procurement regulations.

## Quicker Route to Market

Suppliers on our framework can be appointed through either a mini competition or direct award, depending on your local requirements. CHIC will support your chosen call off process to establish a contract.

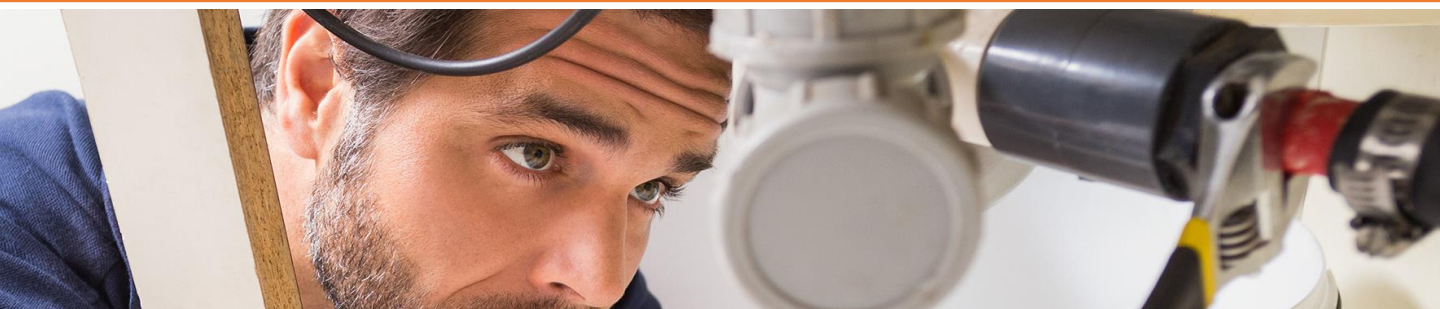

## Saving Time and Costs

CHIC regularly has price and product reviews with our supply chain to establish the very best value for money products. We sense check any price changes against alternative market competitors. CHIC secures competitive rates by aggregating our members spend.

## Contract and Commercial Service

CHIC provides constant support to ensure your contract and commercial arrangements remain effective and deliver ongoing value for money. If complications occur, CHIC is there to help secure a quick resolution offering assurance to our members.
