

The background of the entire page is a photograph of a severely damaged interior room. The walls are covered in peeling, yellowed wallpaper with significant water damage and mold. The ceiling is also damaged, with a large hole and exposed insulation. The floor is covered in debris, including broken wood, paper, and a piece of a rug. A white door is partially open on the left side of the frame, revealing a glimpse of another room.

## SAFE HOMES THROUGH INTELLIGENT PROCUREMENT

---

Landlords need to make sure that customers are safe and warm, so let our procurement solutions help you feel confident in your asset management and development programmes.

CHIC's suite of contracts, frameworks and DPS provide access to a wide range of solutions to ensure compliance and to help you work towards a carbon net zero future.
